Nelson and Colne College & Accrington and Rossendale Campus

Regular updates on Instagram and Facebook.

Email: admissions@nelson.ac.uk

Telephone: 01282 440272

General school liaison queries: school@nelson.ac.uk. You can direct any questions regarding school leavers to this email address.

Anyone that hasn't applied should go online and complete an application form.

Any Year 11 pupils that have applied will have been receiving weekly updates from the college. Each applicant should have last week received a tailored email with further information on their chosen course sector, news from their course, and some top tips on preparing for College. Please see the links below for those that might not have received this information:

There are also some further top tips on Preparing for College on a video, which was posted to social media, last week.

Myerscough College

Conditional offers confirming places: All GCSE students will receive their grades on normal GCSE results day. We will make offers on the basis of what they've put on their application form as their expected grades (as normal). If students feel the grades they get given don't reflect their ability, there is a 42 day settling period where decisions can be discussed to move them up or down once they have enrolled.

Instructions on any interviews: Most offers will be made without interview, except for 'Inclusive Learning' where our transition team are involved. This is being dealt with by the team and pupils, parents and carers will be informed.

Enrolment details: This is a nationally 'fluid' situation. We will be informed as will all colleges of dates for the new term start.

Reassurance of a place: Please rest assured that all pupils offered a place are guaranteed.

Offer booklets/info: 'My Myerscough pages' are updated on a regular basis. <https://www.myerscough.ac.uk/news/applications-for-2020-entry/>

Live Chat facility: Simply open the Myerscough College website and look for the "Let's Chat" Talk.to chat box in the bottom right of your screen. One of our advisors will be online ready to chat to you or you can leave your details and we will get back to you as soon as possible.
