The Lancashire Forum supports apprenticeships across the whole of Lancashire and its members include training providers, colleges and universities (apprenticeship providers). Under the current Covid-19 restrictions and the changes to the way we are having to do things for you to progress on to an apprenticeship we have produced a guide for each apprenticeship provider. It is almost 'business as usual' and all providers have adapted to be able to support you remotely. Whatever your own circumstance on your next steps, whether you have expressed interest, applied for or secured an apprenticeship this will be able to support you.

If you/your pupil hasn't decided or applied for an apprenticeship or has applied directly to an employer please direct them to the Lancashire WBL Forum and we will be more than happy to help at info@lancsforum.co.uk

Please note that these are only Apprenticeship Providers that are a member of the Lancashire Forum and there will be others where you/your pupil may have applied to, In these circumstances they can also contact the Lancashire Forum directly and we will support them in making progress.

<p>Contact: The Apprenticeship Advisor Team. Email: apprenticeships@blackpool.ac.uk</p> <p>Further details are available on B&FC website: www.blackpool.ac.uk/apprenticeships</p>	<p>Apply directly on B&FC website: www.blackpool.ac.uk</p> <p>Can also apply for apprenticeship vacancies via our apprenticeship recruitment portal 'get My First Job' https://www.getmyfirstjob.co.uk/</p>	<p>You will be contacted by B&FC either by letter, telephone or email to confirm your chosen apprenticeship and attend an 'Apprenticeship Selection Event' (ASE) at B&FC (Bispham Campus). You will receive apprenticeship advice and guidance, complete online initial assessments in English, Maths and IT and also have a 1-1 short interview with a Skills Coach. You will be assigned an Apprenticeship Advisor who will support you with your vacancy search and applications.</p> <p>During Covid 19, all communications with apprenticeship advisors are via email and telephone, there is also the option of video call. Also during Covid 19, we are not holding ASE events, however we can still complete telephone interviews and initial assessments remotely. This will not affect your application.</p>	<p>There are many options at Blackpool & The Fylde College including full-time & part-time FE courses, HE courses, apprenticeships and even degree apprenticeships. Take a look at the B&FC website: www.blackpool.ac.uk to view all courses currently on offer.</p>	<p>There are other options such as full-time & part-time courses at B&FC. Even if you enrol onto a course, you can still keep your apprenticeship application open as we recruit apprentices for many courses all year round.</p> <p>B&FC also offer a Traineeship Course. This is a 12 week employability course that is part of our 'Apprenticeship Academy' designed to upskill English, maths and employability skills. You will also have a work-placement with plenty of support from your tutors, employer and apprenticeship advisors along the way. Ideally you will progress onto an apprenticeship on completion of the traineeship course. See our website for further information about Traineeships.</p>

<p>If I have changed my mind since I applied what do I do?</p>	<p>What happens if I don't get the GCSE/ A Level grades I am expecting (better or worse)?</p>	<p>How will I be interviewed by an employer for an apprenticeship if I am in 'lockdown' or self-isolating?</p>	<p>I don't have an up to date CV and/ or don't feel I am ready to be interviewed for my apprenticeship?</p>	
<p>Just let the apprenticeship team aware if you wish to withdraw your application. It may help if you also let us know of your preferred career option as we may be able to support and guide you to the relevant pathway.</p>	<p>All apprenticeships have Functional Skills in English, Maths and IT attached to the qualification. Therefore if you do not achieve your expected grades, then you would have the option to re-take these qualifications as part of your apprenticeship.</p>	<p>You may complete a telephone interview with an employer, this may even be a face-to-face video call. You will receive interview guidance and support from your apprenticeship advisor throughout the process.</p>	<p>Once you have completed the college apprenticeship application process, the Apprenticeship Advisor Team will provide CV development and interview support to guide you and ensure that you are interview ready when applying for apprenticeship vacancies. There is also the option of practising your interview technique with your advisor by practising with mock interviews prior to a real interview.</p>

Press apply now button Step 3. Click on the Apprenticeship subject shown on the left hand side Step 4. Click on the specific Apprenticeship you want to do Step 5. Press apply now (again) Step 6. Complete application form and submit</p>	<p>Once you have applied you will receive an e-mail for a scheduled date and time for interview. This will be done via phone call. Once you and the tutor are happy with regards to the interview, you will then be passed on to our Themis recruitment team. They will go through live vacancies, look at your CV, ensure you are interview ready and will then look to match you with an employer for an interview. However, the Themis team do ask for you to be pro-active in finding your own employer as well. You will also have to sit BKSBS assessments to highlight the level that you are currently working at.</p>	<p>It's important that you look into the different options that are available and do some research for yourself. If you are a school leaver you can contact the School Liaison Team on 01282 733322 or via e-mail on c.admissions@burnley.ac.uk to ask for further advice and info, or the Themis Team on 01282 730005 or employer@burnley.ac.uk to speak specifically to them regarding Apprenticeships.</p> <p>If you have just finished your A-levels you can also speak to the Themis team about Apprenticeships, or ring student services on 01282 733373 or e-mail them at s.services@burnley.ac.uk to gain information about your next steps.</p>	<p>You will be able to enrol on the full-time vocational equivalent to your apprenticeship or A-levels (If you have the grades). We always recommend that you apply for a full-time course as well as a back-up in case you don't get an Apprenticeship.</p>

<p>If I have changed my mind since I applied what do I do?</p>	<p>What happens if I don't get the GCSE/ A Level grades I am expecting (better or worse)?</p>	<p>How will I be interviewed by an employer for an apprenticeship if I am in 'lockdown' or self-isolating?</p>	<p>I don't have an up to date CV and/ or don't feel I am ready to be interviewed for my apprenticeship?</p>	
<p>You re-apply for your new choice via the usual application process. Or you can e-mail c.admissions@burnley.ac.uk and inform the college that way. Dependant on what your change is you may have to sit another interview.</p>	<p>If you don't get the GCSE's you are expecting there is a chance you may not be able to access the course/Apprenticeship that you want. If this is the case then the college will look at the best possible alternative and work with you to find the best outcome for you. If you over-achieve then you may be able to look at a different course, the college is here to help you look at these options once again.</p>	<p>This will be done via phone call or video call.</p>	<p>The Themis Team and the School Liaison Team can offer support with CV help and becoming interview ready.</p>

<p>trainingadmin@westinghouse.com</p>	<p>https://www.westinghouseuclear.com/springfields/careers</p>	<p>The process is usually aptitude testing followed by interview.</p>	<p>Keep working hard on subjects that you enjoy and you are good at. See if you can get any work experience doing something that you think that you may like to do.</p>	<p>Don't give up, ask for feedback on why you weren't successful and work on any areas that they suggest. Also investigate alternative options, you may find something that you like better!</p>

<p>Let the training provider know, they may be able to provide you with info to help your decision. If you are certain then also let them know and they can offer the place to someone else.</p>	<p>Talk to your potential employer or training provider.</p>	<p>Online interviews, problem solving tasks to submit.</p>	<p>Have a go at writing a CV and ask someone you trust to review it. If you are worried about the written words then make it factual and succinct. Many schools, colleges and some local employers will provide mock interviews to help build your confidence. The most important thing is to be yourself!</p>
