The purpose of this safeguarding policy is to ensure every child who is a registered student at Blessed Trinity Roman Catholic College is safe and protected from harm. The Department for Education (DfE) ‘Keeping Children Safe in Education’ (September 2021), states safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of children’s and young people’s mental and physical health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable all children at our school have the best outcomes.

This policy will give clear direction to all staff, volunteers, visitors and parents about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Blessed Trinity Roman Catholic College fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered students at our school. This policy applies to all stakeholders; students, staff, parents, governors, volunteers and visitors.

No single professional can have a full picture of a child’s needs and circumstances. If children and families are to receive the right help at the right time, **everyone** who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.

The Children Acts 1989 and 2004, states a child is anyone who has not reached their 18th birthday.

The commitment to safeguarding and promoting the welfare of children however will extend to all children who visit our school as well as all students of the school.

<p>Specific Safeguarding</p>	<p>Blessed Trinity Roman Catholic College is committed to keeping our children safe from specific forms of abuse. We will formulate risk management plans where required using the guidance and template below. We will ensure that:</p> <ul style="list-style-type: none"> • ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused and are aware of these specific issues, reporting any concerns, in the appropriate manner to the DSL. Specific issues include (but are not limited to): <p>Radicalisation: refers to the process by which a person comes to support terrorism and forms of extremism. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.</p> <ul style="list-style-type: none"> • Blessed Trinity Roman Catholic College recognises that protection from extremism & radicalisation is a vital element of safeguarding • ALL staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty' • Prevent Safeguarding Lead – Jo McCue

- ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation
- ALL staff and volunteers will use professional judgement in identifying children who might be at risk of radicalisation and act proportionately
- The school Online Safety Policy will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place
- DSLs understand when it is appropriate to make a referral to the Channel Panel and are aware of how to do so.

Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse and do not recognise that they are a victim of abuse.

- The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE
 - The school Online Safety Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place
- Child Criminal Exploitation - is a form of child abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity: -

- (a) in exchange for something the victim needs or wants, and/or
- (b) for the financial or other advantage of the perpetrator or facilitator and/or
- (c) Through violence or the threat of violence.

Child Criminal Exploitation does not always involve physical contact; it can also occur through the use of technology. CCE:-

- can affect any child or young person (male or female) under the age of 18 years
- can affect any vulnerable adult over the age of 18 years
- can still be exploitation even if the activity appears consensual
- can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence
- can be perpetrated by individuals or groups, males or females, and young people or adults; and
- is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.

Criminal exploitation of children can include **County Lines**. This is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money

from urban areas to suburban and rural areas, market and seaside towns or move drugs from A to B. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked or the purpose of 10 transporting drugs and a referral to the National Referral Mechanism should be considered in addition to normal safeguarding procedures.

Honour Based Abuse (HBA) Honour based abuse is a collection of practices used to control behaviour within families in order to protect perceived cultural and religious beliefs and/or honour. Violence or abuse can occur when perpetrators perceive that a relative has shamed the family and/or community by breaking their honour code.

Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

Female Genital Mutilation (FGM) is encompassed within the term Honour Based Abuse:

- ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Abuse or FGM to the DSL immediately
- FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
- ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them
- Whilst all staff should speak to the designated safeguarding lead, deputy or DSO's with regard to any concerns about female genital mutilation (FGM), there is a specific legal duty on teachers. If a teacher, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18 or there are concerns this may be about to happen, the teacher must report this to the police.

Modern Slavery the Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking':

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA and follow their normal safeguarding procedures. Peer on Peer Abuse (including sexual violence and harassment) occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. Please see Peer on Peer Abuse Pan Lancashire procedures.

Blessed Trinity Roman Catholic College will refer to specific guidance in Keeping Children Safe in Education Part five: Child on Child Sexual Violence and Sexual Harassment.

This is most likely to include, but may not be limited to: bullying (including cyberbullying); physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm; sexual violence and sexual harassment; sexting (also known as youth produced sexual imagery); and initiation/hazing type violence and rituals. This will also include **Upskirting**. It typically involves taking a photograph under a person's clothing

without them knowing, with the intention of viewing their genitals or buttocks for sexual gratification or causing humiliation, distress or alarm.

- ALL staff and volunteers understand that children can abuse other children
- ALL staff and volunteers will inform the DSL or DSO's of suspected peer abuse and record in line with schools recording policy
- Peer on peer abuse will be taken as seriously as any other form of abuse
- All staff understand that abuse is abuse and should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up"
- All staff will understand that pupils with SEND are more prone to peer group isolation and school will have extra pastoral support to address this.
- Physical abuse between peers will be managed under the school's Behaviour Policy
- Emotional abuse between peers will be managed under the school's AntiBullying Policy
- Sexting
- In cases of suspected or actual peer on peer abuse a risk assessment will be undertaken and appropriate and proportionate control measures put in place to manage and reduce risk.
- DSLs understand that regarding peer on peer abuse, the victim and the perpetrator are likely to have unmet needs and require support and assessment to determine these
- The DSL will assess on a case-by-case basis, supported by children's social care and the police if required to ensure the most appropriate response for the children / young people involved

The DSL will consider:

- the wishes of the victim in terms of how they want to proceed
- the nature of the alleged incident
- the ages of the children involved
- the development stages of the children involved
- any power imbalance between the children
- is the incident a one-off or a sustained pattern of abuse
- are there ongoing risks to the victim, other children, school or college staff
- Contextual safeguarding issues.

Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:

- the victim
- the alleged perpetrator
- All other children (and if appropriate adult students and staff).
- Risk assessments will be recorded and kept under review as a minimum

Domestic abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 and over who are, 12 or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- Psychological
- Physical
- Sexual
- Financial
- Emotional

Exposure to domestic abuse and / or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

- ALL staff and volunteers understand what domestic abuse is and the potential impact upon children and how this might be displayed. The DSLs will: -
- Ensure that the school has suitably trained Key Adult/s in order to fulfil its obligations under Operation Encompass
- Ensure that the school's commitment to Operation Encompass is known throughout the school community via the means of staff training, parental letters, posters and the school website
- School will provide an overview of Operation Encompass with the names of the Op Encompass leads and a link to the Op Encompass website (<https://www.operationencompass.org/>)

- Operation Encompass lead(s) at **Blessed Trinity Roman Catholic College** is: Jo McCue

Children Missing from Education can be a potential sign of abuse or neglect including sexual exploitation, child criminal exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones.

- ALL staff and volunteers follow school procedures when a child misses' education particularly on repeat occasions to help identify the risk of abuse and neglect
- The school Attendance Policy is up to date, reviewed annually and includes reference to CME and procedures followed in the case of children missing or who have attendance concerns
- There is an admissions policy and an attendance register
- The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more
- **Where reasonably possible** schools and colleges should hold more than one emergency contact number for their pupils and students.
- ALL staff will be aware that children going missing from education can be a warning sign of safeguarding considerations.

Sexting is defined as the production and/or sharing of sexual photos and videos of and by young people who are under the age of 18. (UKCCIS, 2016), It includes nude or nearly nude images and/or sexual acts. It is also referred to as 'youth produced sexual imagery'. 'Sexting' does not include the sharing of sexual photos and videos of under-18 year olds with or by adults. This is a form of child sexual abuse and must be referred to the police.

- School staff are aware of how to manage sexting incidents and must pass on any incidents or concerns to the DSL or DSO's
- School staff are aware that they should never view, download or share the imagery, or ask a child to share or download – this is illegal
- If staff have already viewed the imagery by accident (e.g. if a young person has showed it to them before they could ask them not to), report this to the DSL
- Staff will not delete the imagery or ask the young person to delete it.
- Staff will not ask the young person(s) who are involved in the incident to disclose information regarding the imagery. This is the responsibility of the DSL
