Dear Parents

We're making communication easier, faster and more effective:

I am pleased to advise you that we have introduced a new service called – School Gateway. This means that we can communicate with parents more quickly via e-mail, text and smartphone app.

School Gateway is a smartphone app for parents that provides a single two-way point of contact allowing parents to receive messages from school and reply to those messages free of charge.

Help us by downloading the School Gateway app:

App to install:  School Gateway (ISUZ Limited)

If you have a smartphone, you can download the 'School Gateway' app from your app store (Android and iPhone). By doing this we can send you app messages and you can send messages back for FREE.

It's quick and easy to do. All you need is your e-mail address and mobile number that school holds on record for you (if you have changed your mobile number/e-mail address or you have not given this information to school, it is important that you let us know, then we can update our records). If you have trouble logging in, please call us on 01282 506200.

If you do not have a smartphone, you will still receive text messages or e-mails from school.

Yours sincerely

T Nuttall (Mrs)
Office Manager
