Dear Parent

RE: Year 10 Revision Guides

As part of the New GCSE 1-9 Key Stage 4 Science Curriculum, we now offer all Year 10 pupils revisions guides through school at a price of **£5.50 per book**, which is a substantial saving.

If your child is following the Triple Science Pathway, they will require three separate revision guide for Biology, Chemistry and Physics, at a total cost of **£16.50**. This is a substantial saving of over £16 compared to a book shop.

If you would like to purchase a revision guide to support your child's learning, payments can be made either via the school's online payment system (minimum value is £10.00) or by enclosing the correct payment along with the reply slip below by **Friday, 17 March**. We will not be accepting any more payments beyond this date.

Yours faithfully

H Hacking (Mrs)
Assistant Curriculum Leader Science
