

Our Ref: RW/SS
25th March 2020

Dear Parents,

We are writing to update you with information about your Free School Meals entitlement. You will be aware that this week we were provided with food parcels from Lancashire County Council, which were successfully distributed. However, following feedback from parents and, whilst keeping Government advice at the forefront of our minds, we have decided to implement a new voucher system, which should make things easier for all participating families.

A company named Wonde will shortly contact you. You will be contacted via email or text to set up your supermarket voucher selection. This can then be used either in store or online. You do not need to print the voucher as it can be used from your phone in stores. The voucher will be updated weekly at a value of £16.45 per pupil, per week. Once you have selected your preference the voucher will be emailed to you within 12-24 hours.

We believe that this will be more suitable, as it will allow you to choose your preferred shop and select groceries, which are most appropriate to your family's needs and will eliminate unnecessary contact with school.

If you have any questions then please direct all queries to either mgeoghegan@btrcc.lancs.sch.uk or rwright@btrcc.lancs.sch.uk.

Thank you for your continued support, sending best wishes through this difficult time.

Yours sincerely

Mrs M Geoghegan
Assistant Headteacher
