14 September 2020

Dear Parents

You may be aware that a Year 9 pupil has test positive for COVID-19. A number of Year 9 children have been asked to self-isolate and will be returning to school on Monday 21 September 2020. The parents of the pupils affected have been contacted. You will be pleased to note that the child is no longer ill and will return to school shortly. It is a timely reminder of the need for our children to ensure increased hand hygiene, social distancing and the use of face masks.

Thank you for your continuing support.

Yours sincerely

A handwritten signature in black ink, appearing to read "R. M. Varey".
