Dear Parents

Happy Easter! I hope you and your family are well and have had a restful break.

As we begin this new term together, I am looking forward to building on and further developing techniques for providing a great education whilst learning from home. I know our teaching staff are keen to experiment with new technologies and continue to develop high quality resources to ensure we can support your child in making good progress despite these rather uncertain times. It is important that children are following a structured routine and completing the work they are set each day to ensure they don't fall behind, please encourage your child to contact their teacher via Show My Homework if they are struggling with any aspects of the work. The dedication, resilience and hard work we witnessed from our pupils last term was inspiring and I look forward to seeing this continue throughout this new term.

Yours sincerely
