1 April 2021

Dear Parents

I just wanted to write to you to wish you a Happy Easter. I hope that you and your family experience the joys of the Resurrection over this wonderful season. It has been another extraordinary term; thank you for your support and patience over lockdown; home learning, mass testing and our return to school. We can be truly proud of our school's response to the challenges of COVID-19. The children have shown great resilience in their return. I am sure that you will join me in thanking our committed and hardworking teachers and support staff.

Please watch our Easter music video (<https://www.youtube.com/watch?v=5P1G15xbOII>). It is a celebration by our Music and IT support departments and is a message of hope; it is so lovely.

#### **PE Roadmap to Recovery**

From the **19 April 2021** we will return to delivering full PE lessons for all pupils (see attached PE roadmap).

This will require all students

- To be wearing the correct Blessed Trinity PE kit on the days they are timetabled PE
- Return to original PE groups and timetabled PE lessons.
- To line up outside at the start of their PE lessons.

In lessons

- Outdoor sports will be prioritised.
- Full equipment use with regular cleaning between classes.

**A reminder that pupils will return to school on Monday 19 April 2021 following the Easter break.**

#### **Lateral Testing Over Easter**

As you will be aware, it is vital for pupils to keep testing at home throughout the Easter holidays and into the summer term. Please can you test your children on the following dates:

- Sunday 4th April 2021
- Wednesday 7th April 2021
- Sunday 11th April 2021
- Wednesday 14th April 2021
- Sunday 18th April 2021

Please ensure you continue to record your test results (<https://tinyurl.com/ymp4wuyr>). Please also continue to report the results to the NHS (<https://www.gov.uk/report-covid19-result>).

#### **Reporting Positive Cases of COVID-19 During the Easter Break**

If your child tests positive for COVID-19 during the half-term break, can you please ensure that you inform Dr Tuohy by emailing: [jtuohey@btrcc.lancs.sch.uk](mailto:jtuohey@btrcc.lancs.sch.uk). If we are informed of a positive COVID case in the next few days, it is possible that you will hear from us should your child be a close contact.
