Dear Parent,

Science Revision Guides 2021-2022

As part of the GCSE 1-9 Key Stage 4 Science Curriculum, we now offer all Year 10 & Year 11 pupils revisions guides through school with a substantial saving.

- If your child is following the **Triple Science Pathway**, they will require three separate revision guides for Biology, Chemistry and Physics, at a total cost of **£16.50** or **£5.50** each.
- If your child is following the **Trilogy Science Pathway**, they will only require one Combined Science revision guide for **£5.60**.

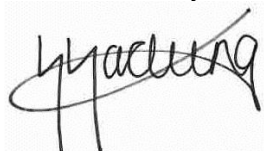

Pupils should double check with their Science teacher if they are unsure which book they require prior to ordering on SCOPay.

Payments can be made via the school's online payment system by **Monday, 4th October 2021**. The online system can be accessed via this link: [Blessed Trinity RC College Online payments - Login \(scopay.com\)](https://www.scopay.com). If you have difficulty accessing or are unable to use the payment system or you require log-in details, please contact Miss Fuerte via email (accounts@btrcc.lancs.sch.uk).

Please note, we will not be accepting any more payments beyond Monday, 4th October 2021. Revision guides will then be available for collection from the Science Department.

If you have any queries, please do not hesitate to contact me in school.

Yours sincerely,

Mrs H Hacking
Curriculum Leader Science
