FUTURE EVENTS

Liverpool One shopping trip – not yet been confirmed whether this is still an option. Waiting for more information from Liverpool One.

The parish social group car boot sale is on 12/7/14 in St. Mary's church yard at £10 per stall. With regret we decided the return would not be great for our own bric-a-brac, but wondered if the business enterprise team in Blessed Trinity would find it a useful outlet – PT to speak to P Clegg.

Beth Watson wants the Band Night to be after half term so we have suggested 20/11. This means postponing the Christmas Fair (scheduled for 19/11) till Spring. Other dates in November were 6/11 (too near Bonfire Night) and 13/11 (Year 11 awards evening).

The school does not have a license to sell tickets for a film viewing, but we can circumvent this by selling raffle tickets or tokens for entry. Information to parents would detail the film's rating, and we could ask the school council in September for film suggestions. We could then sell numbered raffle tickets at around £2.50.
