General Employability

FreeFormers This is an interactive video of someone on a work experience placement, at a Technology company. You don't need to be interested in Technology to do this virtual work experience. It gives you a great idea of what it would be like to carry out a work experience placement in a real company to give you a 'feel' for going into a new company and meeting new people. You will need to follow the link above and register an account to access the video.

World of Work This is a great variation of work experience which explores a variety of types of work and also employability skills. You don't need to register. You must click on the tab which says Monday and complete the 4 lessons on that. You must then choose at least 1 of the other days (for example Thursday) and complete the 4 lessons. You don't register on this so you must let your careers teacher know if you choose this option and which days you will be working through – they will then be able to access the certificate.

InsideSherpa

An excellent website which offers virtual work experience placements from a range of companies, from banking to careers in tech. Most options last up to six hours and involve tutorials, videos and activities.
